Re: High School Deaf and Hard of Hearing Graduate Information Kit

Effective immediately, the Ontario Deaf Foundation (ODF) is pleased to announce that Silent Voice of Canada will assume responsibility for the annual production of the *High School Deaf and Hard of Hearing Graduate Information Kit*. Silent Voice has been actively involved in development of the Kit from its inception and recognizes how tremendously helpful the Kit has been to many Deaf and hard of hearing students and their teachers across Ontario.

ODF has decided to take a less hands-on approach and will instead provide Silent Voice with the necessary funds to publish the Kit. We have every confidence that Silent Voice will continue to provide the highest quality of information to assist Deaf and Hard of Hearing students about to graduate from high school and enter a community of their choosing.

The *2017 High School Deaf and Hard of Hearing Graduate Information Kit* will be printed by early June. Orders for graduating high school students should be directed to Silent Voice.

On ODF's website www.ontariodeaffoundation.com, we will continue to offer PDF version of the annual publication of the Kit. We are proud to support this important resource that will help prepare Deaf and hard of hearing youth for future success.
